Dear Sir / Madam

RE: LETTER OF RECOMMENDATION: ZANDTBOX (PTY) LTD

I am pleased to recommend Zandtbbox (Pty) Ltd as a provider of AI and digital solutions, based on the excellent service they delivered to Eshybrand.

We engaged Zandtbbox to set up our Moodle Learning Management System, including custom pages and a tailored look and feel aligned with our brand. They translated our requirements into a professional, user-friendly platform that met our needs.

Throughout the project, Zandtbbox demonstrated strong technical expertise, responsiveness, and attention to detail. Their ability to understand our objectives and develop practical digital solutions made them a valued service provider.

Based on this experience, I confidently recommend Zandtbbox to organisations seeking a capable technology partner for AI and digital solutions, particularly in digital learning, platform development, and customisation.

I am confident they will deliver the same high standard of service to future clients.

Yours faithfully,
